

C-STEM Guidelines for Teachers & Students:

1. VJ scholars will join from the smart classroom in a group.
2. During all the kit-based sessions, scholars must have the kits with them.
3. Before attending every session, the Teacher Coordinator will fill the "School Registration" on <https://learn.scienceutsav.com/>.
4. The VJ scholars of associated schools must be informed about the following - Parent JNV (Knowledge Centre) name, School Code, and Student Registration IDs.
5. The School Code and Students Registration ID can be found on <https://learn.scienceutsav.com/>. The Students Registration IDs are required for attending the quiz.
6. In "School Registration", the third field "**School Name**" is **mandatory only for associated school students. It is not mandatory for parent JNV (Knowledge Centre) students.**
7. The number of students attending the session from a single computer/device must be entered correctly. Even if an individual student is attending the session, they must fill up the "school registration" and enter 1 in "Number of students attending". If more than one student is attending a session from a single computer or device, then enter the number accordingly.
